

FUNDRAISING IDEAS

There are many ways you can help Médecins Sans Frontières/Doctors Without Borders. Take a look at these fundraising ideas for inspiration. Use your skills and interests to personalize your fundraising event. When you're ready to start planning, read over the **Fundraising Guidelines** and send the **Fundraising Proposal** to MSF to receive approval, support and a **Fundraising Toolkit** that includes resources to help make your fundraiser fun and successful.

TIP:

When deciding what type of fundraiser to organize, consider your interests and the interests of your target audience. Ask yourself, "Would I attend this event if I wasn't organizing it?"

A

Arts exhibit · athletic competition · arts and craft sale · aerobics class (ask people to make a donation to participate in the class) · auction

B

Bake sale · birthday (instead of gifts, ask guests to make a donation to MSF) · BBQ
