Set Fundraising Goal of \$100.00 or more by Feb. 28, 2019

Drowning is the #2 leading cause of preventable death in children under 10 years old. \$100 towards our annual campaign is enough to provide a child in your community with 6 months of swimming lessons. Each year the YMCA provides lessons to over 5,500 children and youth. By registering early you help us plan a better event and make an even bigger impact.

Raise \$250

Every child deserves to have a safe and active summer, but not every family can afford the full camp registration fee. \$250 towards our annual campaign is enough to send a child to day camp for a week where they can unplug, have fun, make friends and develop skills and confidence to last a lifetime.

Raise \$500

Over 1/3 of residents in Simcoe/Muskoka report not having a sense of community. Our research has shown that there are many positive effects of belonging to the YMCA - people tell us they feel less alone, find it easier to make friends, and have better health. \$500 towards our annual campaign is enough to provide a one year membership to a family in your community where they can enjoy time together, connect with new friends and support, and live a healthier lifestyle.

Raise \$1000

Access to high quality and affordable childcare supports healthy development, increases family income and improves how well children transition into adulthood. \$1000 towards our annual campaign is enough to provide two weeks of care to a child. With nearly 80 child care locations the Y is the largest provider of licensed child care in our community-serving over 4000 families.
